 - Meet with coaches of both teams at the plate. Discuss anything you are unsure about, such as run limits, time limits, the Infield Fly rule, dropped third strike, allowed base stealing and so on.
- Calling each pitch (Plate)
 - Call Ball / Strike / Foul as it is, and make the corresponding sign. Try to maintain a consistent strike zone throughout the entire game.
- Calling each play (Plate and Base)
 - On every play, follow the ball and be prepared to make a call when a play is made. Don't rush your "Safe" or "Out" calls. Take a couple of seconds to process the play in your head before making the correct call. If you missed the play, ask your teammate for help.
 - If the ball goes into foul territory, make the foul sign and call out "Foul" in a loud and clear voice.
 - Call Time! when requested and appropriate but never when a play is still happening.

Weather – Rain Outs

Umpires are expected to show up at the diamond at least 15 minutes prior to game time in any weather. Quite often, a decision to play or cancel a game due to rain is not made until the last minute. The coaches or division coordinator will make the decision before game time. Once the game starts, it is the umpire's decision to stop a game due to rain.

Umpire Uniform and Equipment

Plate umpires must wear a SVLL Umpire shirt, leg guards, chest protector, umpires mask/helmet and cup. Base umpires must wear Umpire shirts, and a baseball hat and they should carry a red flag. All umpire equipment, ball/strike indicators, home plate brushes and red flags are available in the score shack at the Main Diamond. Also remember to bring a full water bottle and depending on the weather you may need sunscreen, sunglasses, or a jacket that can be worn underneath your umpire shirt. Grey colour pants are preferred.

Responsibilities and Conduct of the Game

If Umpires witness any inappropriate behaviour such as bullying or bad language by players, coaches, parents, or spectators it should be reported immediately to a league official. Any safety concerns or dangerous behaviour should be reported immediately to the coach.

Safety

Make sure all offensive players are in the dugout (behind the fence) when not at bat or on base.

On-deck batters are not allowed to take warm-up swings until it is their turn to bat. Remove dropped bats from the plate area when runners are approaching home plate.

Make sure that catchers are wearing a mask and using a catchers glove whenever they are warming up a pitcher. Report any safety concerns to the coaches before play continues.

Post-Game Duties

Sign the official scorebook.

Return all umpire equipment, shirts and game balls to the score shack. Make sure the shirts are put back on a hanger and all equipment is neatly stored in its proper place.
