About Us

South Vancouver Little League (SVLL) was founded in 1956.

We are a non-profit, community-run organization providing opportunities to play baseball for children ages 4 – 12. Operating under the umbrella of Little League International, SVLL holds the charter for the geographic areas covering parts of East Vancouver, South Vancouver, South Burnaby, and Richmond.

We are home to one of the most beautiful ballparks in the lower mainland – the Joan and Phil Lake Diamond at South Memorial Park.

We host hundreds of games during our regular and fall ball season spanning March to October. To give children in our league the best opportunity, we rely on community and parent volunteers to create a fun, safe, and family-oriented program to over 400 players each year.

We rely on our community sponsors for the operation of the league. Your support helps us enrich the baseball experience by teaching our youth the ideals of good sportsmanship, teamwork, respect, hard work, and courage. Most importantly, your gift supports the creation of friendships and a lifetime of memories for our players.

Sponsorship Opportunities

For a successful program there are many expenses connected with running our league. We rely on funding from player registration fees, fundraising events, and sponsorships from businesses and organizations in our community. Funds raised are used to maintain the quality of our programs, our fields and the provision of equipment. Your support also ensures the game is accessible to the growing number of children.

We are all part of a greater community. Our games are well attended by parents, relatives, and friends that live, work, play and shop in the community.. We have great site lines for passersby on 41st Avenue with exposure to our beautiful park. Our sponsors help maintain the quality of our park and our programs. We encourage all of our members and volunteers to patronize our sponsors to show our appreciation for their support and generosity. You can expect your generosity to lead to the following benefits:

- Exposure to over 400 families and members within the community
- Help support improvements to our fields
- Give back to the community while creating awareness for your business
- Support health and fitness in youth
- Helps to keep fees low to allow everyone a chance to play baseball

Mission

- Implementing the ideals of good sportsmanship, fair play, honesty, courage and respect for authority.
- South Vancouver Little League provides youth co-ed baseball for 4 to 14 year olds in the south Vancouver and south Burnaby areas.
